# THE LONDON NETWORK

CENTRE  
FOR  
LONDON

**We are London's think tank.**  
A voice for all London is, and could be.  
We're fiercely independent and consistently influential. Our vision is a London that's successful and sustainable. A global city that works for all Londoners.

## About Centre for London

*We are uniquely dedicated to developing new solutions to our city's challenges, for the benefit of all its people.*

*We help policymakers and city leaders think for the long term about London's biggest issues and plan for a better future.*

*We are a registered charity which relies on donations and support from organisations, foundations and philanthropists.*

**"If you – like me – believe in a thriving, sustainable, global London, run in the long term interests of its people and the UK as a whole, there is no better organisation to support than Centre for London."**

Fiona Fletcher-Smith, Centre for London Chair of Trustees and Chief Executive Officer, L&Q
